

Do you need your GED or want to work on your adult basic education skills?

Accelerating Opportunity Kansas

Are you interested in

starting college level classes at the same time you are working toward earning you GED or improving your adult basic education skills?

Accelerating Opportunities in Kansas (AO-K) program offers educational support and **substantial tuition waivers** (possibly even free!) to help you achieve your employment goals. Exciting opportunities are available in many programs such as:

- **CNA (Certified Nurse Aide)**
- **CMA (Certified Medical Assistant)**
- **EMT (Emergency Medical Technician)**
- **Process Technology**
- **Machine Tool Technician**
- **Diesel Technology**
- **Automotive Technology**
- **Phlebotomy**
- **Welding**
- **Corrosion Technology**
- **Truck driving (CDL)**
- **HVAC**
- **Auto Body/Collision Repair**

If you're interested in a program you don't see listed above, be sure and ask as the list is always expanding.

Students who are receiving or eligible for TANF (*Temporary Assistance for Needy Families*) may be eligible to receive scholarships for completing 12-hour career pathways.
