

Accelerating Opportunity Kansas

 Do you need your GED or want to work on your adult basic education skills?

 Are you interested in starting college level classes at the same time you are working toward earning your GED or improving your adult basic education skills?

 **Accelerating Opportunities in Kansas (AO-K)** program offers educational support and substantial tuition waivers as a way to help you achieve your employment goals. Exciting opportunities are available in **Health Care, Advanced Manufacturing, Welding, CDL Truck Driving, Emergency Medical Technician, and Process Technology.**

Students who are receiving or eligible for TANF (Temporary Assistance for Needy Families) may be eligible to receive scholarships for completing 12-hour career pathways.
